This big bull has done a great job for us but we thought we should share him with someone else before he gets too old - He is very quiet and easy to handle. His dam is one of the great shorthorn brood cows of today. We are using another son of hers, Gloriadale Royal Crown Prince who we have used as you will see on most of the heifers and cows in this sale. We also have another full brother a year old, who is equally as good a bull and by the time of the sale he will also be sold. We are retaining 2 of her daughters in the herd. We have 5 herd bulls at Gloriadale at present and hope this great young bull finds a good home. His sire Rothbury Dynamic Leader 2nd was purchased by Ken Gunther and ourselves for \$4,000.00 at the Canadian National Bull Sale at Brandon, Manitoba. Don't miss this great bull on Sale Day. Be sure to come and see him even if you don't need a bull at the present time.

A great young herd sire for someone who wants to improve their herd. Sired by the 2215 lbs. 100% dehorning Gloriadale Premium who sired most of the cattle in our sale string here at the New York Sale. His dam Gloriadale Claret 15th is one of the biggest and best brood cows at Gloriadale and admired by many of you who have visited the farm. Her full sister sold in our 1965 Sale and topped our sale of females as an open heifer at \$2,500.00. He has a great head-dark red lots of length and stands on four good legs. If you need a bull be sure to see him on Sale Day, and buy him you'll be glad you did.

Reference Sire Only

TYRONE ERNMORE IMAGE

This young bull was 1975 All-American Spring Yearling plus a winner at major livestock shows, such as Keystone International, Eastern National and International. He is what many cattlemen feel is the answer to putting Shorthorns back at the top. Tall, long and extremely well muscled after being used heavily in our cow herd, he came back to win Grand Champ Bull at this year's N.Y.S.F., repeating last year's win, proving his ability to continue to grow and gain. Service Sire on all the females consigned by Sangamon. We feel a combination of his and their bloodlines should indeed produce a modern desirable animal for today's serious cattleman.

This is the 1st Gloriadale Souchong to sell since our 1965 Sale at Public Auction. Her grandmother Freda Souchong was one of the polled shorthorn cows that really improved shorthorns. Her most famous son was Gloriadale Supreme who sold for \$2,550.00 and was top selling polled bull at the 1965 Canadian International Bull Sale where he was sold to Frank and Louis Dempster and they way he was the best bull they ever owned. A full Supreme sister sold to Tutira Farms in our 1965 Sale for \$2,000.00. In the same sale another daughter of this great old cow sold to Sutherland Farms, Kentucky at 13 months of age for \$1,100.00. We debated about parting with this Souchong heifer but wanted someone to get a good heifer with a top pedigree. She is sired by our great white bull -- Gloriadale White Ignition. Sells open.

Yes, she is a daughter of the Renowned Gloriadale Meteor 5th, the bull that helped so many people all over America to get good cattle that did well for them. Gloriadale Premium the sire of many of the cows and heifers in the sale is a glowing tribute to the great old bull and also half brother to this good young cow was Gloriadale Supreme top selling polled bull in the 1965 International Bull Sale. Gloriadale Fascination who was a "AAA" ton bull for Chuck Leeman, Hoopston, Illinois. Gloriadale Deacon another "AAA" ton bull that did such a great job for Dave Brockmueller, South Dakota, and many, many other top bulls and females. She is out of the same cow family that produced the dam of the big Gloriadale Royal York bull in this sale. She will have a calf at foot by Gloriadale Royal Crown Prince on sale day. We are retaining her daughter in the herd. We are trying to cut down our herd at Gloriadale and that is the only reason why we consigned this good young cow to the sale.

Yes another Premium. The great bull that filled our barn with good cattle. Her dam Louda Wendy Wimple was sold in the 1973 Toronto June Sale to our mutual New York friends Bill and Cecilia, O'Connor and he tells us she has done really well for him. We Really liked this particular Louda Heifer at Louada on Sale Day and never regretted buying her. This heifer was bred Feb. 16, 1975 to Gloriadale Royal Crown Prince and should calf about November 15, 1975. We are really happy with our crop of "Crown Prince" calves at Gloriadale this summer. Examined safe in calf. Be sure to see her sale day.

Yet another Premium by the 100% dehorning big 2215 lbs. bull that had tremendous size yet retained that very important quality which is a rare combination today. Her dam is Gloriadale Mardi Pauline who is sired by the ton "AAA" Constellation of Bapton who in turn produced 3 "AAA" polled bulls one of the greatest being Gloriadale Bonaparte who set a record price of \$30,000.00 when sold and who many of you have seen and is still going strong at 10 years of age - Her granddaughter produced Gloriadale Fascination who was Reserve Champion at the 1965 All American selling at \$2,300.00 and also selling in our sale in 1975, she produced Gloriadale Constructor who sold for \$3,600.00 and has never had a poor calf. This heifer is backed both sides by great cattle. Bred February 14, 1975 to Gloriadale Royal Crown Prince. Examined safe in calf. Should calf about November 15, 1975. Be sure to see her on Sale Day.

Still another Premium daughter. Premium as many of you know was 2nd top selling polled bull in the 1965 Canadian International Bull Sale going to Jack Gabel, Manitoba and being resold to Arthur Huber, Lipton, Saskatchewan where he spent 3 years before being bought back by Gloriadale. Mr. Huber retained an interest in him and claims he was the greatest shorthorn bull he ever owned. Her dam Fernwood Rosewood Ruth was the top selling female in the Fernwood Dispersal where she was bought by Louada. Louada bred her to Kelso Ignition and that is where we got our great white polled bull that many of you admire at Gloriadale. Gloriadale White Ignition. She was bred December 11/74 to Gloriadale Royal Crown Prince and will calf before sale day and will have her calf at foot.

This great brood cow has by far the best heifer calf this year by Gloriadale White Ignition. Many of our visitors at Gloriadale pick this heifer's mother as one of the best brood cows at Gloriadale. Bred Jan. 30, 1975 to Gloriadale Royal Crown Prince. Examined safe in calf and should calve around the end of October. Be sure to see her on Sale Day.

We are debating whether or not to sell her but have a full sister still in the herd. She was bred December 24, 1974 to Gloriadale Royal Crown Prince and examined safe in calf and will calve before Sale Date. See her on Sale Day and buy one of the best pedigrees we have ever sold.

This great young red cow is by the famous Gloriadale Premium who weighed 2215 lbs. and is renowned by many as one of the greatest Breeding Bulls of his day. Her dam is Gloriadale Augusta Amelia 5th one of the great old brood cows at Gloriadale and in turn her full brother Gloriadale Control really made a name for himself in the Maritime Provinces of Canada and 2 top breeders said if he had been shown he could have been Grand Champion at the Royal Winter Fair in Toronto. He was quite a bull. We are reluctant to sell this young cow but felt we must send some of the good ones to this sale. See her on Sale Day. She was bred March 12, 1975 to Gloriadale Royal Crown Prince, the young bull we are using so heavily at Gloriadale today. Examined safe in calf and should calve about December 15, 1975.
